WELCOME BACK!

Looking back at December, the highlight once again was our fantastic Christmas Concert performances from all our students. Thank you to all staff members who prepared our students to showcase their gifts and talents.

Also, a special thank you to our families. We are very blessed to have such a supportive community, one that is willing to give. We collected a large quantity of non-perishable food items for our local community members as well as assisted the church with the angel tree gifts. Our "12 Days of Christmas Campaign #spreadkindness" raised enough money to purchase gift cards for many families in need.

St. John's students truly embody a positive attitude and are always willing to #spreadkindness to all those in need.

Academically, we have a few weeks left to wrap up the first term. It is hard to believe that we have gone through 4 months of school and are well on our way into the second term. We encourage students and parents to ensure that

students arrive on-time and are ready to participate in school. Report cards are going home in early February.

Students from Grades 4-8 will be involved in the Catholic Safe School Survey. This will be done over the upcoming weeks. Participation is voluntary; however, we strongly encourage our students to complete the survey because the information provided is very helpful.

As we move forward into January, may God continue to bless and guide each student and family within our community.

Yours in Catholic Education,

Miss St. Aubin

Principal
